

2024 Commitment to Excellence

Award recipients Tricia Duncan, Amy Harmon, and Anita Miller with WOSC President, Dr. Chad Wiginton

Western celebrated the holiday season at its annual Holiday Luncheon on Monday, December 16th. Faculty and staff gathered to enjoy a delicious meal, desserts, and several fun rounds of bingo.

Many door prizes were also awarded during the event. Guests were treated to live piano entertainment courtesy of Clark Huey, whose music added a festive and joyful atmosphere to the celebration.

A key moment of the luncheon was the announcement of the 2024 Commitment to Excellence winners. These awards honor employees who consistently demonstrate exceptional dedication and professionalism, both on campus and within the community.

Congratulations to this year's recipients!

Outstanding Faculty: Amy Harmon
Outstanding Part-time Staff: Anita Miller
